Forecast for Sunday 11 Jun 2023

Weather: Showers dying out through the early hours. A mainly dry start to the day and any lingering showers should move away with it brightening up. Morning sunshine and feeling warm out on the hills. Remaining mostly dry throughout the day but an afternoon or evening shower can't be ruled out.

Chance of cloud-free hill tops above 700m: 90% hill tops will generally be cloud free but cloud may thicken and lower in any showers.

Low cloud and visibility: Patchy or scattered cloud may form above 600m near any showers. Very good visibility although it may turn hazy in the afternoon, visibility will become moderate or poor in any showers.
